

A

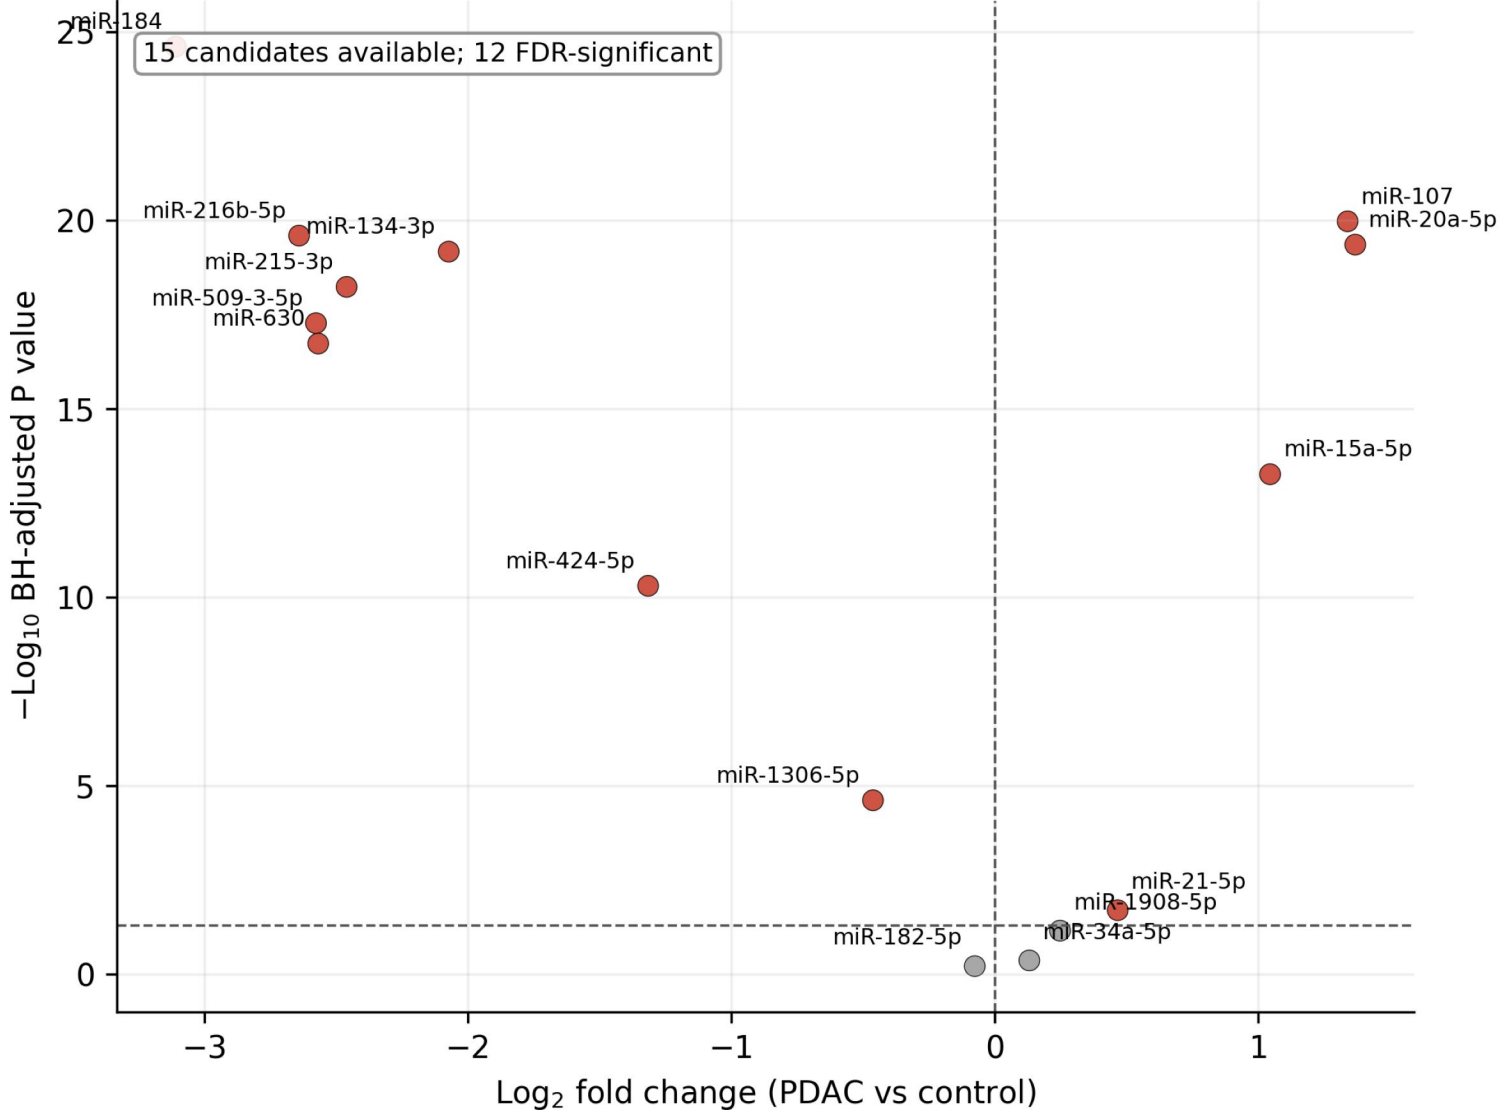

EV-miRNA candidate discovery and plasma validation

Model development and 10-fold cross-validation were conducted within GSE259327.

B

GSE259327 candidate-miRNA assessment

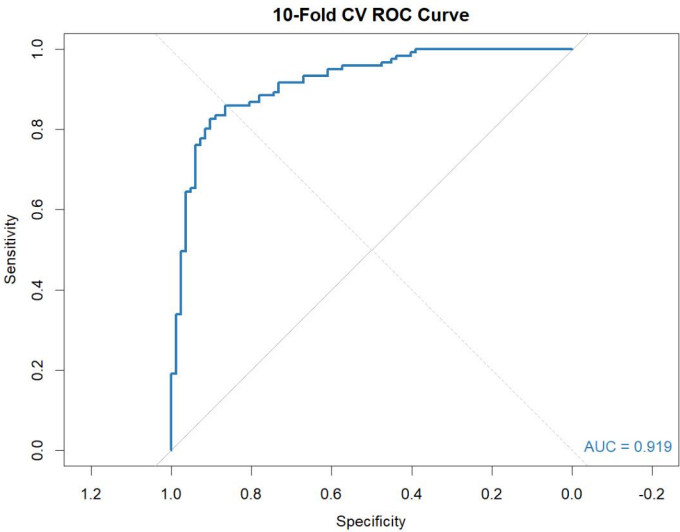

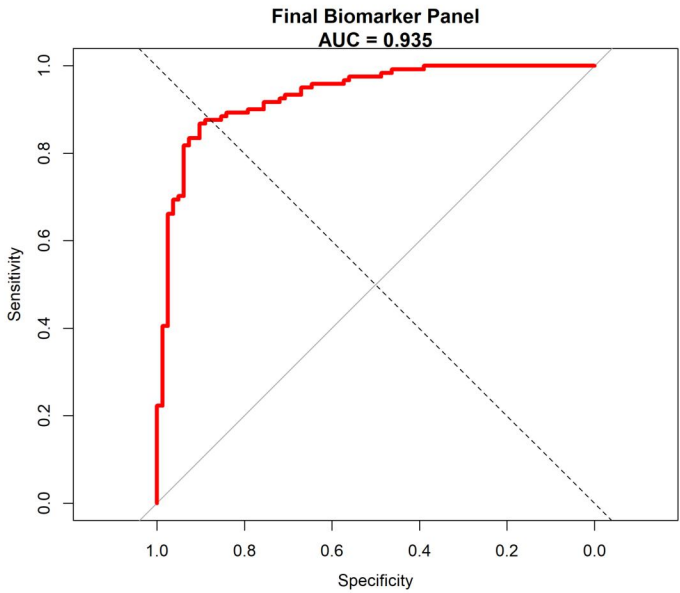

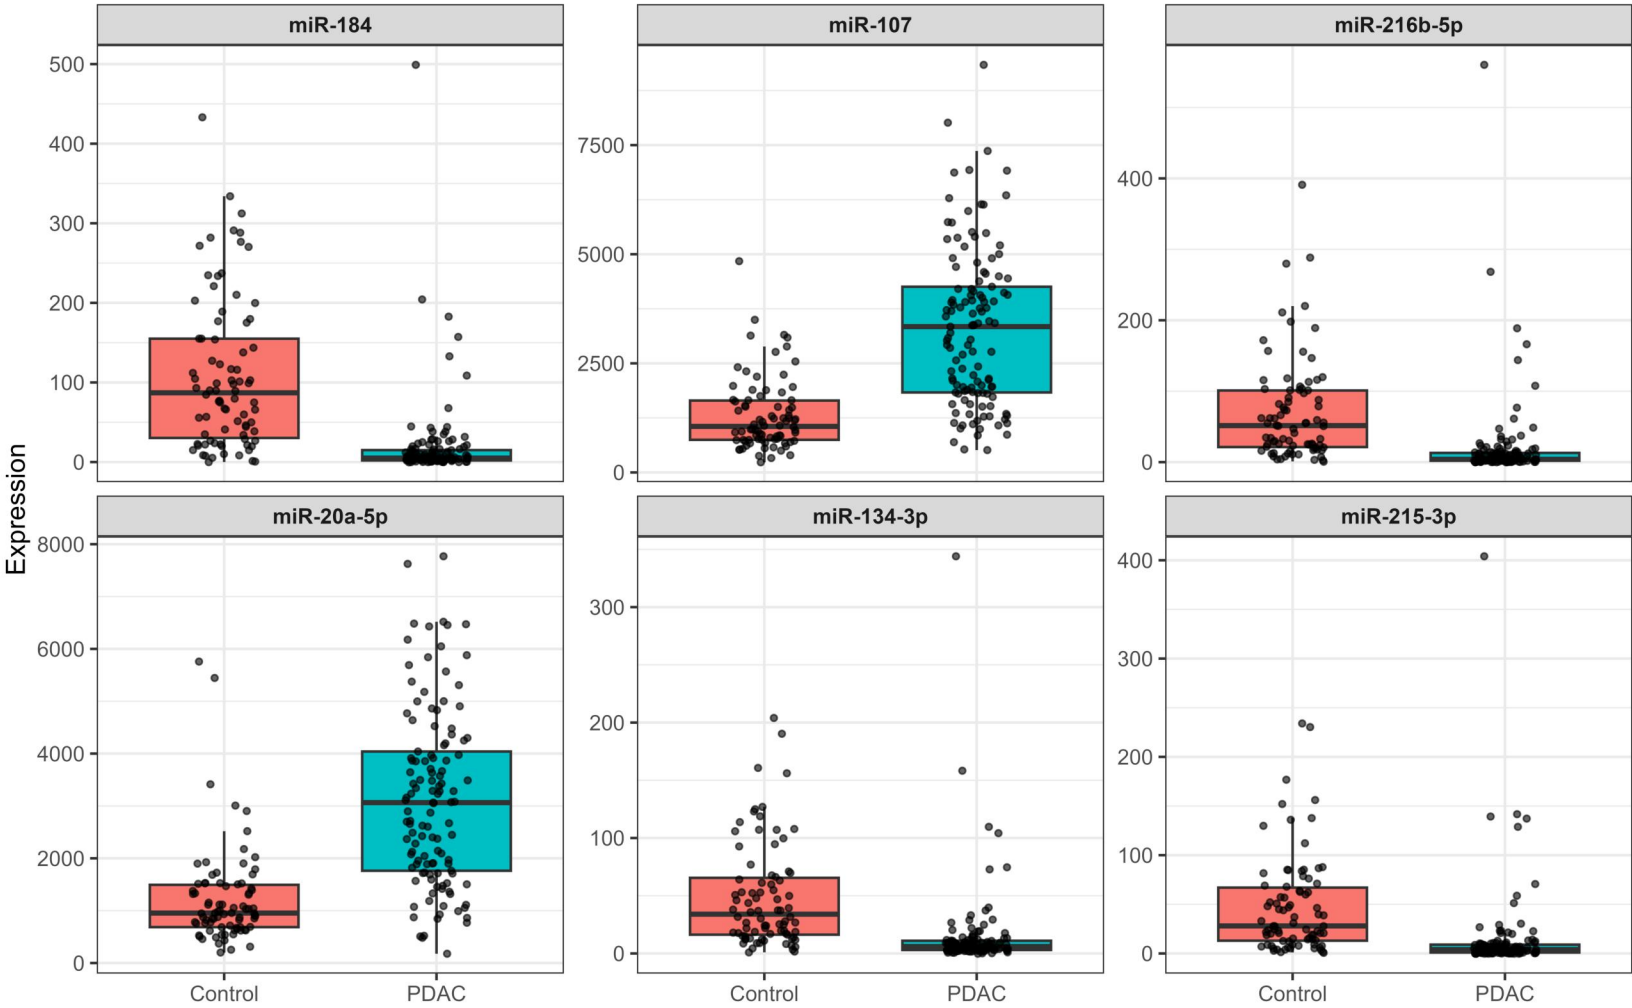

D

Six-miRNA diagnostic model performance

C

Six-miRNA Biomarker Panel (GSE259327)

Apparent AUC = 0.9353

10-fold CV AUC = 0.9191
